Chicago, Illinois | (847) 421-3979 | bradley-golden.com | golden.bradley@gmail.com | linkedin.com/in/goldenbradley/

SUMMARY

A highly motivated and accomplished student with relevant military service. Founder of a computer science club where students collaboratively work on group projects outside the University curriculum. Worked with a Fortune 500 company as a data and research intern, completing a database for use by executive management. Detail oriented, punctual, patient, and quick to learn new skills. Looking to apply strengths in a position during the summer of 2015.
